

Document shredders for open-plan offices

20830

According to DIN 32757, level 5 security applies for the destruction of strictly confidential documents. With its 0.8 x 12 mm micro particle cut, model 20830 meets even those high demands. Besides, it also guarantees a high waste collection volume.

The cabinet is made from solid wood, the top cover from virtually unbreakable plastic material. Comfortable electronics in combination with an automatic reverse function. The motor cuts out automatically when the front door is opened and the waste box is full. This model is easy to move around thanks to four fitted castors. Cutters are made of special steel and cope with paper clips and staples. The shredder comes complete with 10 spare waste bags no. 20705 and a single tier feed rack no. 20718.

- 5 years warranty against cutter-fracture
- 2 years function warranty if used in accordance with manufacturer's instructions
