P-4 | Large office shredder with sheet capacity of 25 sheets and bin volume of 26 gal

Shredding material:

- Paper with staples and paper clips
- CD / DVD / Blu-ray
- Plastic card
- Floppy disk
- Foil

The intimus 100 CP4 is engineered for discreet and efficient document disposal in office environments. This shredder offers cross-cut shredding with a cutting precision of 0.1 x 1.4 in, ensuring thorough destruction of documents at security level P-4. It is versatile, effortlessly shredding paper documents with staples and paper clips, credit cards, CDs, foils, and floppy disks.

The advanced i-control operating unit offers an intuitive interface displaying all essential functions, including door open, bin full, and operational status. The automatic start/stop function, enabled by a light barrier system, allows for hands-free operation. Overload protection is ensured with an automatic reverse feature and the Dynamic Light System (DLS), preventing paper overload and ensuring smooth and continuous operation. The shredder also features a large capacity, coming with a 26 gallon waste bag, optionally also available with a removable cardboard container for convenient disposal.

Designed for continuous running, the intimus 100 CP4 is ideal for high-volume shredding tasks. The bin full sensor alerts when the waste bag is full, preventing overflow and maintaining efficiency. Operating at a low noise level of 56 dB(A), this shredder ensures minimal disruption in the office environment.

Eco-friendly and safe, the shredder automatically switches off after 15 minutes of inactivity to conserve energy. The premium wooden cabinet not only adds to the aesthetic appeal but also ensures durability, and the shredder's German engineering guarantees top-tier quality and reliability.

The intimus 100 CP4 is equipped with castors for easy movement within your workspace. Its space-saving design fits seamlessly into any office setup.
