NEW: intimus 100 CP7

ULTRA-FAST HIGH SECURIY SHREDDING SOLUTION FOR OFFICE USE

Up to 10 users

P-7 | High security shredder with sheet capacity of 8 sheets and bin volume of 26 gal

Shredding material:

- Paper with staples
- Foil

The intimus 100 CP7 is engineered for discreet and efficient document disposal in office environments. With a cutting precision of 0.03 x 0.2 in this high-security shredder ensures thorough destruction of documents at security level P-7. Impresses with its cutting speed of 7.5 in/s, which leads to a high paper throughput in the high-security area.

The advanced iControl multifunctional unit offers an intuitive interface displaying all essential functions, including door open, bin full, and operational status. The automatic start/stop function, enabled by a light barrier system, allows for hands-free operation. Overload protection is ensured with an automatic reverse feature and the Dynamic Load Sensor (DLS), ensuring smooth and continuous operation. The shredder also features a large capacity, coming with a 26 gallon waste bag.

Designed for continuous running, the intimus 100 CP7 is ideal for high-volume shredding tasks. The bin full sensor alerts when the waste bag is full, preventing overflow and maintaining efficiency. Operating at a low noise level of 59 dB(A), this shredder ensures minimal disruption in the office environment.

Eco-friendly and safe, the shredder automatically switches off after 15 minutes of inactivity to conserve energy. The premium wooden cabinet not only adds to the aesthetic appeal but also ensures durability, and the shredder's German engineering guarantees top-tier quality and reliability.

User-friendly and efficient, the intimus 100 CP7 is equipped with castors for easy movement within your workspace. Its space-saving design fits seamlessly into any office setup.

KEY FEATURES

- The 0.03 x 0.2 in particles comply with P-7 security level as specified in DIN 66399 (ISO/IEC 21964).
- Effortlessly shreds paper documents with staples and foils.
- Cutting speed of 7.5 in/s leads to an impressive throughput of up to 307 sheets/min.
- The 310 mm working width easily accommodates larger documents.
- Features i-control multifunctional unit, an intuitive interface displaying all essential functions and operational status.
- Comes with a metal frame and an easily removable 100-litre waste bag as waste disposal solution.
- Automatic start/stop: Light barrier system enables automatic start and stop for hands-free operation.
- Overload protection: Automatic reverse feature and Dynamic Load Sensor (DLS) prevent paper overload, ensuring smooth and continuous operation.
- Designed for continuous running, ideal for high-volume shredding tasks.
- Alerts when the waste bin is full, preventing overflow and maintaining efficiency.
- Operates at a low 59 dB(A), ensuring minimal disruption in the office environment.
- Shuts down after 15 minutes of inactivity to conserve energy.
- Optional automatic oiling system for enhanced convenience and efficiency.
- Aesthetic and durable wooden cabinet complements any office decor.
- Equipped with castors for easy movement within your workspace.
- Made in Germany, ensuring top-tier quality and reliability.

SPECIFICATIONS

Area of application	Large office
Feed type	Manual
Cutting size paper (in x in)	0.03 x 0.2
Cutting type paper	Cross cut
Security level ISO/IEC 21964 (DIN 66399)	P-7 / F-3
Shredding material	Paper with staples, Foil
Waste disposal solution	Metal frame with reusable bag, Removable housing top
Intake width (in)	12.2
Possible paper formats (DIN)	A3
Sheet capacity (80g/m²)	up to 8[6]
Throughput	up to 307 sheets/min
Cutting speed (80g/m²) in/s	7.5
Bin volume (gal)	26.4
Continuous Running	yes
Noise level (idle operation) dB(A)	59
Nominal motor power (HP)	1.0
Power consumption (HP)	1.9
Power supply (V / Hz)	220-230 / 50
Other voltages available	yes
Product dimensions W x D x H (in)	21.3 x 15.7 x 35.4
Product weight (lbs)	97.0
Control operation	i-control
Visual status indication for ...	Ready, Material jam, Door open, Motor overload, Bin full, Oil needed
Automatic start/stop	yes
Auto reverse	yes
Automatic switch-off	yes
Automatic switch-off after x min	15
Paper jam protection	yes
Overheat protection	yes
Overload protection	yes
Bin full sensor	yes
Automatic oiler	optional
Castors	yes
Material machine housing	Wood
Made in Germany	yes
Certificates / Listings	CE, UKCA

6 Under laboratory conditions
